Great investment opportunity! This retail building has four separate storefronts that are currently all leased. In a prime location, the building is located on a service road just off the main street of St. Paul, Highway 29, next to a service station. This well-kept building has newer PVC windows and siding, new roof installed in 2021 and \$20,000 in renovation in 2024 on the two units on the west end of the building. This would be a great addition to any portfolio!

Built in 1968
