A beautiful location in Cherry Ridge Estates. A cozy house and a sunny kitchen with a large wrap around, covered deck to drink your morning coffee on. Mature apple and crab apple trees, garden plot, lovely treed surroundings with an area fenced to keep furry friends safe. Numerous out buildings, including a 30x40 quonset, a garage 21x58, both with a concrete floor power and heat, an unheated storage garage and a greenhouse. The house was constructed in two stages, the first in 1986 and a large addition in 2012. The older section has the main entry, living room, large bedroom and full bathroom/laundry, a dirt basement with a furnace, well pump and hot water tank. The new section is the kitchen, large pantry, dinning area, primary with ensuite, and family room. The basement under the new addition has an additional furnace (both are high efficiency) and is partially finished (no permits). The well is used primarily for the gardens and there is a 2500 gallon cistern for drinking water.

Built in 1985
