Fantastic family home in the heart of Moonen Heights! Located on a quiet street. Main level has an open living and dining area, great for entertaining! Kitchen area has lots of windows for natural light and a great little breakfast nook to enjoy morning coffee. Upper level offers 2 ample-sized bedrooms, including the primary and a full 4 pc bath. The lower level has a cozy family room complete with a woodstove. There previously was a 3rd bedroom on this level, but the wall was removed. It can easily be transitioned back to a bedroom if required. The basement level in this 4-level split offers a great area for a home office, and also has its own renovated 3 pc bath. The backyard is very generous in size and has plenty of room for the kids to play. There is also a 26'X24' Double detached garage with extra parking for a trailer. Great value in a family-oriented community a short commute to Leduc, Wetaskiwin, and only 35 minutes from Edmonton.
