Single Family on 0.00 Acres

Westpark_FSAS, Fort Saskatchewan, AB

This 2067 sq. ft. new construction home offers superior value and craftsmanship compared to other homes in the area. Built with high-end, modern finishes throughout, it includes features often considered upgrades by other builders. Enjoy triple-pane windows for enhanced energy efficiency, hot water on demand, and a fully finished basement stairwell (side door) for future development. Enjoy the soaring 2 story ceiling in the living room and all the natural light that comes with those windows. All appliances – including washer, dryer, and stainless steel kitchen package – are included, along with a completed deck for outdoor enjoyment. Kitchen cabinets and drawers are all soft close, and include undermount lighting. Competing builders typically provide only a \$2,500 appliance credit, leave the basement stairwell unfinished, use double-pane windows and charge extra for a deck. These key differences highlight the commitment to quality, efficiency, and long-term value that set this home apart. Welcome home.
