Rural on 10.01 Acres

None, Rural Bonnyville M.D., AB

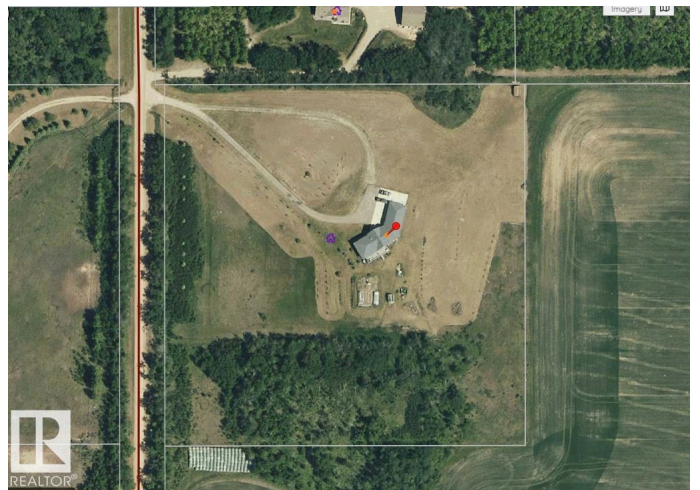

There's a certain feeling you get the moment you pull into this property – that deep exhale that only wide-open space can bring. Set on ten acres of open countryside, this 1,890 sq. ft. bungalow was built for people who love to stretch out, host big gatherings, and dream even bigger. Inside, sunlight spills across an open floor plan where the kitchen truly steals the show. Miles of quartz counters, endless cabinetry, and a massive island make it the heart of the home – The dining area opens to the 12'x48' deck that will soon invite morning coffees and starlit nights. The primary suite feels like its own hideaway – complete with a walk-in closet, ensuite, and private access to the deck. Head downstairs, and the energy shifts from serene to social. A huge open space blends a games area, family zone, and full wet bar. Then there's the garage – all 1,700 sq. ft. of it. Heated, finished, and big enough for five vehicles (or your workshop, gym, and winter toys). There's even laundry hookups!
